SUBCATEGORY MISSION STATEMENTS – FORM F1-F37

Each subcategory coordinator is responsible for creating a Mission Statement that will guide the work of that individual subcommittee. This Mission Statement is specific to the actual subcommittee, and it is expected that a total of 37 Mission Statements will be produced. The purpose of this step is to create early direction and understanding of the goals and purpose by all members of the subcommittee. It is intended to keep the subcommittee on track without diversion. The Mission Statement should be consistent with the community's vision and the MoCAPP Mission Statement while expressing the overall purpose and desired outcomes of the subcommittee.
